FOR IMMEDIATE RELEASE

DISCOVER INTENSIA THROUGH HER BOOK "WORDS TO THINK. OR TO SING.": WHERE MUSIC EVOLVES BETWEEN THE LINES

An unprecedented glimpse into new songs to be, available on Amazon from 26 June 2025

This summer, pop artist and singer-songwriter Intensia invites you on a one-of-a-kind journey with WORDS TO THINK. OR TO SING. – a special look into her evolving artistry. Available on Amazon from 26 June 2025 in both paperback (ISBN 978-3-911445-00-9) and eBook (ISBN 978-3-911445-01-6), this immersive publication offers a truly fresh perspective into the work of a music maker.

Blending lyric excerpts of songs-in-progress with small personal insights about the messages behind, WORDS TO THINK. OR TO SING. teases creative sparks behind future releases. It's a great way to become part of Intensia's story, and see how her tracks shape and grow.

"To inspire imagination and reflection, offering listeners a deeper connection before songs even fully exist, is a special approach that makes things even more relatable. It creates a bond through music over time. The book is my intro to everything. Let's experience together the making of art, building anticipation and curiosity like never before." Intensia also emphasizes the power of tangible items in these fast paced times: "Holding something physical strengthens emotions and memories. It's a bridge between digital and real life – an open space to think, and maybe also write or draw something of your own." To enhance this interactive approach, the book includes dedicated pages for personal notes and ideas, making it more than just a collection – it's a dialogue between artist and reader. For those looking for more self-expression, the accompanying notebook PLACE TO THINK. OR TO WRITE. (ISBN 978-3-911445-02-3) offers a complementary creative space.

The first song release from "WORDS TO THINK. OR TO SING." is planned for March 2026. Until then, join Intensia in her artistic process, engage with the lyrics excerpts, and sign up for the free Intense Inside Club at www.intensia.music for exclusive insights or little surprises.
