INTENSIA'S BOOK WORDS TO THINK. OR TO SING. NOW AVAILABLE ON AMAZON: THERE WILL BE MUSIC BETWEEN THE LINES

An unprecedented invitation to discover an artist through lyrics excerpts of songs in progress

Today marks the release of WORDS TO THINK. OR TO SING., the unique publication by pop artist and singer-songwriter Intensia. Available on Amazon (<https://a.co/d/9zvk8X7>) in both paperback (ISBN 978-3-911445-00-9) and eBook (ISBN 978-3-911445-01-6), this immersive work offers an intimate glimpse into Intensia's evolving artistry. Blending lyric excerpts from songs in progress with personal insights into the messages behind them, the book teases inspiring sparks that will shape future creations.

To celebrate the launch, Intensia is introducing a limited-edition merchandise collection of curated items that reflect the themes and aesthetics of WORDS TO THINK. OR TO SING., offering an additional tangible connection. Through her label, Intensia Music International, she is committed to authenticity, quality, and creating experiences that resonate. Her release rhythm follows a mindful pattern of one song each spring and autumn, with matching merchandise available only until the next project drops, offering continuity and anticipation over time.

"As long as intensity and strength are with me, I will stick to this plan," says Intensia. "To me, a song is more than a relatable artistic product; it is a long-lasting sonorous gift crafted holistically with the best of intentions to share with the world. That is why I prefer to publish them one at a time at a conscious pace, so they can grow, blossom, and establish deeper connections." She emphasizes the importance of quality over quantity, and of celebrating small steps and the creative process, not just the outcome. "Now there is an opportunity to be a bigger part of the experience, cheering for its development, rather than just encountering final results to consume. It's a movement I'm starting for a special music lovers community I call Intenswes (Intens plus we plus s): the dreamers, thinkers, and curious minds looking for more than throwbacks or behind the scenes. Let's celebrate every moment to the fullest."
